

## 2010 MA SQUASH 70+ State Championship

|                 | Lew Holmes | Willem Jansen | Martin Kornguth | Douglass Lee | Nathan Liskov | Peter Papesch | Frank Wezniak | TOTAL |
|-----------------|------------|---------------|-----------------|--------------|---------------|---------------|---------------|-------|
| Lew Holmes      | X          |               |                 |              |               |               |               | 0     |
| Willem Jansen   |            | X             |                 |              |               |               |               | 0     |
| Martin Kornguth |            |               | X               |              |               |               |               | 0     |
| Douglass Lee    |            |               |                 | X            |               |               |               | 0     |
| Nathan Liskov   |            |               |                 |              | X             |               |               | 0     |
| Peter Papesch   |            |               |                 |              |               | X             |               | 0     |
| Frank Wezniak   |            |               |                 |              |               |               | X             | 0     |

**Matches are self-scheduling, 3 out of 5 games, scored using PAR 11.**

**Please record individual game scores when reporting scores to me.**

**The finalists on April 8th will be the two players with the highest total games won.**

**The tie-breakers will be head-to-head results, then results against common opponents, if needed.**
